What can I expect

Great Exposure Through...

THE PROBUS ASSOCIATION

PROBUS is an association of active retirees who join together in clubs. Its basic purpose is to provide for its members regular opportunities to keep their minds active, expand their interests and to enjoy the fellowship of new friends. One of their main charters is travelling with new and old friends as a group.

Our core National Sponsorship of The Probus Centre - South Pacific Inc is exclusive to Trade Travel and with this fantastic relationship you will have ample opportunities to promote to tens of thousands of Probus Members right across Australia and New Zealand. Whether it is face to face with our proactive Franchisees across Australia or at our Annual Trade Travel Expos, National Mailouts, Probus Friendship days, Probus News Magazine or the Probus Rendezvous.

TRADE TRAVEL EXPOS

You will have the opportunity of promoting your destination at our very successful annual Trade Travel Expos held at all capital cities / major centres in Australia.

This is an invitation only event to qualified Group Tour co-ordinators – responsible for hundreds, sometimes thousands within their travelling groups/clubs. Our entire Trade Travel Network is represented at these events with our Trade Travel Directory, Itinerary Options brochure and flyers etc plus you have the option of being involved on the day by hosting a stand or conducting a presentation – it is a very powerful way of marketing when you are speaking to the decision makers.

BUS AND COACH SHOWS

We attend every major Bus and Coach show in Australia. This is another way we use our extensive marketing programme to give you exposure. The Bus and Coach industry is an integral part of our client base and the Trade Travel Directory is a valuable tool when they need to view the accommodation and attractions both in the domestic and international market place.

ITINERARY OPTIONS PUBLICATION

The Itinerary Options publication is a full A4 size colour brochure that has been developed by us for the Probus and Group Tour Co-ordinators and is full of over 100 exciting itineraries across Australasia and the world. **Your product will be included – showcased as part of a must see destination.**

DIRECTORY PUBLICATION

Inclusion in our high quality, full colour glossy A4 size Trade Travel Directory, this is a powerful tool to showcase your product to Group Tour Co-ordinators and Bus & Coach Companies.

This quality full colour A4 publication is divided into into states then regions with maps a detailed blurb and highlights on what to see and do in each area.

The Trade Travel Directory is sent to Australasia's largest Senior Group Database that Trade Travel has compiled over 20 years. This data base consists of Probus Clubs, National Seniors, Bowls Clubs, Senior Citizens Clubs, Coach & Bus Operators, Tour Operators and many many more.

We also distribute our publications at each Trade Travel Expo, Probus Rendezvous, Promotional Days, Bus & Coach Shows and any other chance we may have. Our Franchisees across Australia personally hand deliver to hundreds of Group Tour Co-ordinators and Clubs across Australia.
