"Group Travel Specialists"

This year the Annual Probus Rendezvous is being held in Perth, Western Australia. As a major sponsor Trade Travel will attend the week long event. We will be distributing our Directory and Itinerary Options and will have many opportunities to showcase the network to the expected 600 attending delegates.

The Trade Travel Network Department would like to say a big thank you to the eight supporting Network Members who took us up on the fantastic opportunity, to have their logos printed on the take home bags that Trade Travel will be supplying. Goolwa Central Motel, Mildura Golf Club Resort, Otway Fly Tree Tops Walk, Richmond Valley Tourism, South Pacific Resort Norfolk Island, Squatters Rest, Tweed Heads Bowls Club and Warner Village Theme Parks. It is a great way to have your branding promoted to the Probus Members from all over Australia and New Zealand who will be attending the Rendezvous. This is a great souvenir for them to take home.
